DATE MAILED:

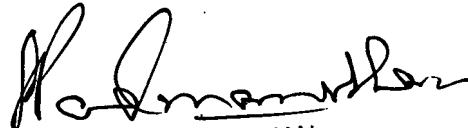

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 3/15/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant did not make a proper species election. In the reply, Applicant has elected Group I drawn to a method of using a compound of the formula of claim 2, where both R1 and R2 are aryl. However, the species election is drawn to a compound where both R1 and R2 are heteroaryl.

See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).
